AUTHORIZATION FOR STUDENT TO CARRY PERScription EPIPEN

_____ needs to carry the following _____ EPIPEN with him/her. The above named student has been instructed in the proper use of such and fully understands how to administer this medication. A second EPIPEN must be kept in the nurse's office in case the first is lost or left at home.

_____ Medication _____ Dosage and Directions

Note to Physician – Please include a specific treatment plan for above named student.

_____ Physician's Signature _____ Date

I have been instructed in the proper use of my prescription _____ EPIPEN and I know how to administer this medication. I will not allow another student to use my EPIPEN under any circumstances. I also understand that should another student use my prescription EPIPEN, the privilege of carrying my EPIPEN will be revoked. I also accept the responsibility for notifying the school nurse and an adult in the immediate area if I should use my EPIPEN so that **prompt** appropriate medical intervention may be instituted immediately.

_____ Student's Signature _____ Date

I hereby request that the above named student, over whom I have legal control, be allowed to carry and use the prescription labeled EPIPEN described above at _____ School. I, the parent/guardian accept the legal responsibility should the above named EPIPEN be lost, given to, or taken by another person other than the above named student.

I hereby release the school and its employees and agents, including volunteers, from liability as a result of any injury arising from the student's self-administration of the emergency medication, except when the conduct of the school, school employee, or agent would constitute gross negligence, recklessness, or intentional misconduct.
