Soccer Game Schedule:

10/20 ó 5/6 Away vs. Brandon Rec, 4:30pm

Reminder: There is no school tomorrow, October 17th for Teacher In Service

Physical Education News:

Students are learning the proper technique of the overhand throw. Students in grades K-3 are understanding the proper technique of the overhand throw by stepping forward with your opposite foot with arm extended back and following through with your arm to throw a ball.

Students in grades 4-8 are working on throwing, catching, and punting a **football** with proper technique. Students are also working on passing plays in small groups to understand offensive game concepts and strategies.

Students in grades 6-8 have completed a one-mile run. Students need to complete 6 laps around the athletic fields to complete a mile. Students at BVS take a one-mile run test in the Fall and another one-mile run test in the Spring.

Keep on Moving!

Mr. Jason McKeen

K-1 News: K-1 has been very busy. They have started all of their academic subjects and are working really hard; they even ask for homework. During science, the students have been observing the changes that are happening during the fall season. They also have been learning about the life cycle of an apple and a pumpkin.

EEE News:

In EEE the students are working on fall themed activities and making pumpkins for the bulletin board. Students are practicing learning the letters and sounds using the Foundations program and will be practicing writing their names.

The lunch menu can be accessed on the school website for this month (benson.arsu.org) If your child would like lunch please let Ms. Doran or Mrs. Davis know before 11:15, so we can put in the lunch order. All lunch orders need to be turned in to the kitchen by 11:15am.

The EEE classroom is beginning to get into our regular routine now that students are comfortable with the classroom and the adults.
