Middle Schoolers: GOOD JOB on the bus! Ms. Doty viewed many bus tapes this week, and has seen the very best PAWS behavior coming from our middle school students. Thanks to all of them for being great role models for our younger students!

Basketball Season will start in November. Please remember that if your child is in Grades 5-8 and would like to play basketball the school nurse needs to have an up to date sports physical on file **before your child can even practice**. Sports physicals need to be done every year. If you have any questions please contact our school nurse, Miss Casey, at 537-2491.

COMMUNITY LUNCHEON

This year's Community Luncheon will be on November 13th. It will begin at 11:30.

Please remember to sign up by November 5th if you would like to come. The food is always yummy, and the company is great too! We always look forward to this event. The cost is \$4.00.

Veterans: This year we would like to honor you and your service to our country. We invite all Benson residents who are Veterans to join us, *as our guests*, for our Community Luncheon. Please be sure to contact us by November 5th if you will be joining us so we can give an accurate meal count to Café Services. We look forward to seeing you there! 537-2491.

Parent/Teacher Conferences:

This year, our report card periods are based on trimesters. The first trimester ends on November 14th. Report cards will go home the following week. For grades K-5, the report card looks **VERY** different and is based on standards. **It is vital for parents to attend parent/teacher conferences, so we are sure to fully explain the new report card.** We will be holding conferences 11/18-11/21. Look for communication from teachers on setting up your conference.
